

THE BULLETIN

A NEWSPAPER BY AND FOR Y-12 EMPLOYEES OF UNION CARBIDE NUCLEAR COMPANY DIVISION OF UNION CARBIDE CORPORATION

VOL. 13 - NO. 19

OAK RIDGE, TENNESEE

Wednesday, May 13, 1959

SEVERAL UNION CARBIDE NUCLEAR COMPANY EMPLOYEES are in this group that planned a campaign to push sales of United States Savings Bonds during May. Seated, from left, are Kenneth R. Merrill, Y-12; R. D. McKnight, Management Services, Inc.; Mrs. Katherine Hoskins, Magnet Mills, Clinton; Edward Helfenberger, MSI; and Dean Van Hoozer, Oak Ridge Hospital. Standing are A. D. McWhorter, Southern Bell Telephone Co., Oak Ridge; J. W. Rose, Oak Ridge Institute of Nuclear Studies; J. R. Wilson, Atomic Energy Commission and chairman of the Oak Ridge Savings Bond committee; Oak Ridge Postmaster Van D. Hicks, Anderson County Savings Bond chairman; D. D. Cowan, Oak Ridge National Laboratory; W. E. Williams and A. V. Swasey, Oak Ridge Gaseous Diffusion Plant.

Air Conditioned Hot Time-

Annual Spring Dance For Y-12ers Slated For Oak Terrace Ballroom Friday, May 22

Papa John Gordy's 'Dixielanders' Will Play For Hop; Tickets Now On Sale Throughout Plant

An air-conditioned "hot time in the old town tonight" will be assured Y-12ers on Friday night, May 22, when the annual Spring Dance for all employees will be presented. The big "spring fling-ding"

Buying Bonds By Deductions Again Is Urged

Payroll Plan Provides Investment, Security For Y-12ers, Nation

In cooperation with the United States Treasury Department, Union Carbide Nuclear Company employees in Oak Ridge are joining employee groups throughout the country in conducting extensive campaigns during the month of May to increase the purchase of U.S. Savings Bonds through the Payroll Savings Plan. Y-12ers now are heavy buyers of Series E bonds through this method of purchase and even more are expected to take advantage of this easy method of investing in their own future as well as the security of the nation.

Bonds Easy To Buy
It is easy for Y-12ers to buy
these securities through the Payroll Savings Plan. Application
blanks and payroll deduction authorization forms may be obtained from timekeepers throughout the Plant and also at the office of the Paymaster on the ground floor of Bldg. 9711-5, the Y-12 Cafeteria.

The bonds still come in denominations of \$25, \$50 and \$100, with

with the purchaser paying only \$18.75, \$37.50 and \$75 respectively. When paid for the bonds will be delivered to the purchaser or held for safe keeping by the Company. Painless Way To Goal

The Payroll Savings Plan offers an automatic and painless way for Y-12ers to reach such future goals as a home of their own, equipment for better living, better retirement provisions and better education for their children.

three years, \$695 in five years or \$1,330 at the maturity date of the bonds in eight years and 11 months.

WHERE IRON COMES FROM

Nearly two-thirds of the iron ore of the nation comes from the Lake Superior region. The rest comes from other countries and from abroad, according to a 20th Century Fund report.

Nuclear Society Meet To Draw Top Speakers

Annual Session Set For Gatlinburg In June

Name speakers, an opportunity for an "Oak Ridge Alumni" re-union and the natural beauty of the Great Smoky Mountains is expected to attract a record number of scientists to the annual meeting of the American Nuclear Society in Gatlinburg on June 15, 16 and

John A. McCone, chairman of the Atomic Energy Commission; Dr. Jules Gueron, top official of the European Atomic Energy Com-munity; and Dr. Eugene P. Wigner, nuclear physicist from Princeton University; head the list of speakers.

\$2.50 per week in U.S. Savings Bonds will return \$404 in only three years \$605 in five The Oak Ridge Chapter of the Ridge National Laboratory, are general chairmen for the session. They expect a large number of former Oak Ridgers to attend.

TOBACCO SALES HIGH

Since 1952 retail purchases of tobacco products have been more than \$5 billion annually. Cigarettes have accounted for 80 per cent of the sales, according to a 20th Century Fund study.

UCC Officials Praise Progress Of Ridge, ŬCNC

First Trip To City In Six Years Made By Most Of Group

Highly impressed with work being done by the Union Carbide Nuclear Company and the pro-gress of the community of Oak Ridge were a group of top Union Carbide Corporation officials who visited the UCNC plants and laboratories here last week. The visiting UCC group was headed by Howard C. Bunn, President of the Corporation, and the official party was guest at lunch in the Y-12 Cafeteria on Tuesday, May 5.

It was the first trip to Oak Ridge in six years for many of the UCC visitors and the initial journey for the rest.

New Building Is Praised

President Bunn and the other

New York UCC officials were particularly impressed with the new housing and the Downtown shopping center of Oak Ridge, declaring them signs of progress for the

The UCC party arrived at the Knoxville airport via Corporation airplane at 11 a.m. Monday, May 4. They were met by Clark E. Center, UCNC Vice President; Logan B. Emlet, UCNC Manager of Production; and Thomas E. Lane, Superintendent of Industrial Relations for Oak Ridge and Paducah, Ky., facilities.

UCNC Operations Described

The first stop on the tour of UCNC installations was at the Oak Ridge Gaseous Diffusion Plant where the visitors were brought up to date on operations in Oak Ridge and Paducah by Mr. Center, Mr. Emlet, Y-12 Plant Superintendent John P. Murray, Roger Hibbs, Superintendent of the Y-12 Process Division; A. P. Huber, ORGDP Superintendent; R. G. Jordan, Paducah Superintendent; Dr. George A. Garrett, UCNC Superintendent of the Operations Analysis Division; and D. M. Lang, Superintendent of the UCNC Technical Division. The group lunched at the ORGDP cafeteria.

After a tour of that plant, a dinner meeting was held at the

from experi-mental ma-chinist. His continuous service in Y-12 dates from January 1, 1954. Also in the same department now as foreman is W. A. Cofer,

promoted from

machinist and transferred from the General Machine Shop. Cofer came to work in the Y-12 Plant on December 4, 1950.

Thomas W. Compton, Jr., was advanced from inspector in the General Machine Shop to foreman in the same department. He has been a Y-12er since October 15,

In the TW Shop Harry F. Harris was promoted from experimental machinist to his new rank. He also came to work in the Y-12 Plant on October 15, 1959. T. A. Keith received his promotion from the job of experimental machinist in the General Machine Shop to foreman in the Sunflower Shop, to which he was transferred. His continuous service is from October 30, 1950.

"Any more 'Nays'?"

MANY FRIENDS OF MRS. NATHAN (ELLIS MAE) STONECIPHER, of the Y-12 Chemical Department, attended a stork shower in her honor at the home of Mrs. G. E. (Jo Ann) Isham, of the same department Friday night, April 24. Mrs. Wanda Livesay, Mechanical Operations Division, also was a hostess. In the picture at left guests include, from left, Mesdames A. E. Sands, H. A. Reed, Ray Wilson, motherin-law of the honoree; Mrs. Stonecipher, the honoree; Mrs. Frank Darby, mother

of the honoree; Bill Cook, Carl Jenkins, Katie Goad, Miss Sue Johnson, Mrs. Rober Hightower and Mrs. Livesay. Guests in the picture at right are Mesdames Milo Ward, Oliver Duncan, Miss Mabel Tyer, Mesdames Ray Wilson, the honoree; Mesdames Frank Darby, Harold Hawn, the hostess, Mrs. Isham; Mesdames Earl Garrett, Jimmie Clowers and Hudson Sherrill. The honoree received many handsome gifts from her many well-wishers attending the shower.

From the "too good to keep beaches near St. Petersburg, Fla. department'

Proud Pop (not in Y-12) phoned his company publication to announce the birth of triplets. The editor-not sure that he had heard the message correctly, ask-

"Will you repeat that?"
"Not if I can help it," snapped the father.

TECHNICAL

So let's break the barrier with the Technical Division-with Special Projects reporting . . . H. E. Buckminster and the missus recently visited the in-laws in Georgia . . . Greetings—to Fred Jones, recently transferred from Mechanical Operations — and also to Rod Creigh, switching over from Production Control . . . Larry Rinderer says, "Sticks and stones may break my bones, but you should see what these hailstones should see what those hailstones did to my red convertible" The calamine lotion kid of the week in the department is Bobby Bagwell-he mowed a lawn of pure poison ivy.

The Metallurgical Development Group of Development Operations congratulates Al Townsend on the birth of their third child, John

Lee, on May 3.
C. M. "The Happy One" West, Radiation Control, spent a week end with his parents in Birmingham and quite a few folks are glad he did 'cause he brought back a delicious cake baked by his mother—so the gang became cake eaters all of a sudden . . . Mother's Day was a good excuse for numerous and sundry people to take trips home — Mary Anne Wright and her hubby, Harlan, now in Employment after a long sentence as Recreation Supervisor, visited their mothers over in Jamestown, Tenn. . . . Jim Cagle went to North Carolina to visit his kin folks . . . M. Sanders took his family up to Andersonville for a visit with his mother . . . This may be a little late—but congratulations are pouring in on Jerry Lambdin, who became the Proud Pop of a fine six pound, seven one - half ounce baby girl, Jamie Susan, on April 14 H. O. Runge is proud of the new addition to his family, too, he traded automobiles and came up with an Indian-head '56 model . . 'Tis reported Joe Youngblood is planning on a week end of golf-

INDUSTRIAL RELATIONS ing trips.

that's news?

The Cafeteria confides that Rosa Lowe spent a recent week of vacation at her home in Clinton . Get well wishes are extended Chef Ed Frye, ill in Oak Ridge Hospital with some kind of ticker trouble . . . Also to that pie-from-the-sky man—Jamie Goodman, who underwent surgery last Friday at Oak Ridge Hospital . . . Aw, the lucky folks-Verna Peckman, the Colyum's agent in the George J. McNamoose eatery, and

for a couple of weeks.

Cap'n Emmett Moore is reported in danger of losing his title of the big tomcat Catfish amongst the Boys in Blue and Gray of the Fire and Guard Department-to be ousted by Cap'n Dave Turner -more about this with pictures, yet, next week . . . Guards J. T. Byrum, C. H. Oaks and P .Garrison are home vacationers-working (?) around their respective homes and fishing . . . Guard H. M. Wilkerson is on his annual Naval Reserve cruise-this time from Jacksonville to New York, and looking forward to seeing those tall buildings — and what else, Wilkie? . . . Now here's one for the book—Fireman C. A. Cook is planning a vacation at Tazewell-going via plane and returning by boat - that's what Liz Campbell, the scribe of the department, reports . . . Fireman E. E. Gregory joined the Proud Pop ranks April 29 when a new son joined the family at Rockwood Hospital-named Richard Thomas and weighed six and one - half pounds-mother and son are fine and Pop's going to recover, too.
. . . Get well wishes go out to Guard Paul Williams and Fire-man H. L. Miller, both out with the miseries . . . Now, Liz asks, and request gladly granted in appreciation of her kindness and efficiency in helping out this corner—to "send get well wishes to my mom, who is ill in St. Sanders

HOT WEATHER ITEMS SET FOR Y-12 SPECIAL LUNCHES

Tasty hot weather spring and summer dishes are to be offered on the 50-cent Special Lunches to be served at the Y-12 Cafeteria tomorrow, Thursday, June 14, and next Tuesday, June 19. Creamed chicken on toast will be the main dish on the Special Lunch tomorrow and on next Tuesday smoked beef tongue with raisin sauce will be served.

Each Special Lunch also includes one vegetable, choice of salad or dessert and rolls and butter.

THE OAK RIDGE RIFLE LEAGUE CHAMPIONS FROM Y-12 are shown above. From left are W. A. Sahr, J. V. Ledbetter, C. G. Brewster, holding the trophy; B. L. Powers and Dave DeWalt. Team members absent when picture was made were Capt. A. J. Blay, M. P. Crews, W. B. Davis, M. W. McGuffin, G. R. Peterson, Ray Tiller and B. White.

Y-12 Gets Leg On Trophy; Win Scoring Honors

After five long years of trying, the Y-12 team in the Oak Ridge Sportsmen's Association Rifle League, finally obtained a leg on the championship plaque — a ro-tating trophy awarded to the top team for one year after its winning season. The trophy first was offered for competition by the ORSA in the 1954-1955 season and ever since then has been in possession of the riflemen from the Oak Ridge National Laboratory. Win Nine of 15 Medals

In addition to winning the trophy for one year, members of the Y-12 team amassed considerable honors during the past season, winning nine of 15 medals offered.

Dave DeWalt, elected co-captain of the Y-12 team for next year, had the top scratch score for any single match with a blazing 287 out of a possible 300. Bernie Powers, also named co-captain for next year, led the league in handicap scoring with a fine 290.528 with second honors going to Y-12er Ray Tiller with 289.116.

Brewster High In Scratch

Other Y-12ers winning individual trophies were C. G. Brewster, high in team scratch scoring average for the season with 272; and G. R. Peterson, with the top handicap average of 287.729. Trophies also were awarded Team Capt. A. J. Blay, W. B. Davis, J. V. Ledbetter and M. W. Mc-Guffin for firing on the winning

Interest Is Growing In Maryville Meet

Interest is growing by leaps and bounds on the part of Y-12 golfers in the second plantwide golf tournament scheduled for Saturday, May 23, at the Green Meadow Country Club at Maryville. As a result, the Recreation Department is expected to be flooded with calls on Tuesday morning of this week when the period for applying for starting times is opened.

The deadline for entering the Maryville tournament will be promptly at noon on Friday, May 22, the day before the tournament.

The first foursome in this tournament will tee off at 7 a.m. with succeeding groups starting at regular intervals up to 10:30 a.m., when all players must be underway. Promptness in starting is necessary and every foursome is urged to be at the club and ready to start 10 minutes before its scheduled starting time. Any foursome not ready to tee off on time will move to the end of the line with other later-scheduled groups being moved up the ladder.

CO-CAPTAINS OF THE Y-12 rifle team for next season are Bernie Powers, left, and Dave DeWalt. DeWalt was awarded best sportsman award in the Oak Sportsmen's Association Rifle League during the past season.

Y-12 Softball Loop Starts This Week

All-Star Game Set For Between Halves

With a six-team membership, the Y-12 Plant Softball League was slated to get underway on Monday night of this week at Pinewood Park — weather per-mitting. A schedule calling for two rounds of play with games on Monday, Tuesday and Thursday nights will be staged. In the first half of play each team will meet the other clubs twice, while the second half slate calls for only one game between each outfit.

As an inovation this season an all-star game will be played be-tween the first and second halves of the season. The all-star tilt will be between the winning team in the first half and a team picked from the five other teams.

Then for the plant championship the winners of the first and second halves of the season - providing, of corse, different teams win in the different periods of play-will meet for the title.

Teams and their managers com-peting include the Whiz Kids, All-Carbide champions last summer and managed by J. D. Collins; the Reactors, Y-12 Plant champions of 1958 and piloted by Harley Law; Slowpokes, Harley Orange; Atoms, D. W. Daws; Generals, M. L. Crawford; and Sportsmen, Herb

BE SURE IT'S SAFE, THEN GO AHEAD!

Sunflowers Take Crown In C League

Daffodils, B Shift Trail In Roll-Off

The Sunflowers team swept to the championship in the C League of Y-12 bowlers in a three-way roll-off against the Daffodils, the runner-up five; and B Shift. The Sunflowers proved themselves one of the best pin toppling aggregations in the plant, as the club previously had taken first place in both scratch and handicap scoring in the Y-12 Plant tournament and were fourth in handicap — and best of all Y-12 teams — in the All-Carbide event. The Sunflowers won the second round in loop play, the Daffodils the third and B Shift the first.

The Sunflowers posted series scores of 2596 scratch and 2989 handicap in the roll-off to 2446-2845 for the Daffodils and 2259-2727 for B Shift. The champions started slowly with scores of 789-920 in the first game, to 836-969 for the Daffodils and 800-956 for B Shift. The winners then shifted into high gear and posted 970-1101 and 837-968 to 821-954 and 789-922 for the runner-ups and 720-876 for the third place team.

Four Sunflowers bowled better than 500 series, led by Ray Galford at 539, boosted to 587 with handicap. Anchor man J. D. Collins was close behind with 532-616. For the Daffodils Carl Dorr was tops with 545-618 and Ed Sise was right on his heels at 542-596 B Shift's top scorer was S. Edmonds with 546-633. J. D. Collins' 212 was the high scratch game of the roll-off and Dorr came second

Hardy-Harris Get Second Shutout

The E. S. Hardy-E. C. Harris team scored its second straight shutout victory in the Lenoir City Golf League for Y-12ers during the week ending April 27, taking four points from H. C. Hutson-W. A. Rutherford, L. C. Watson-W. C. Collins scored a similar win over Tom Harris-Tom Verner and another whitewash win was posted by F. K. Clabough-C. Spradlin over E. N. Rogers-J. C. Thompson, Jr. There were a pair of two and one-half point wins posted with Frank Kennedy-Charley Beckett topping S. D. Peters-Paul Arro-wood and Walt Simmons-Mack Wright defeating W. M. James-A. E. Perry.

Kennedy again was low scorer in both scratch and handicap with 39 and 35. Collins and Arrowood each had 42-36 and C. E. Harris

Team	W	L
Hardy-C. E. Harris	8	0

Tennis, Horseshoe Meets Set May 28

Tennis and horseshoe players all around the Y-12 Plant have been called to organizational meetings for Thursday afternoon. May 28. The sessions will be held in Conference Room No. 222, Bldg. 9704-2, with the tennis performers slated to report at 1 o'clock and the horseshoe hurlers at 2:15 p.m.

Both sports were popular last year in Y-12 with leagues formed in each activity. In tennis, Sam Campbell romped over the field for the men's singles championship; John Perry and E. G. Laggis took the men's doubles title and

THE YOUNGER GENERATION of Y-12 anglers are doing quite well by themselves. At top Stephen Livesay, grand-son of C. W. Mason, Research Services, is shown with his grandfather and a whopper of a big bass the youngster landed. Below, Fred Vaughn, in checked shirt and white hat, son of Fred Vaughn, General Machine Shop, is pictured with four companions and a string of 130 crappie they caught.

Y-12 Anglers Need To Watch Underwood-Olson Youngsters

The Y-12 Plant has many avid, active and accomplished anglersbut they had better look to their laurels. Some of their sons and grandsons are threatening to trot off with a lot of honors for big catches from their elders.

Backed By Photo Evidence

With photographic evidence of such threats are Stephen D. Livesay, grandson of C. W. Mason, Research Services and son of Wanda Livesay, Mechanical Operations Division; and Jimmy Vaughn, son of Fred Vaughn, General Machine

Steve, nine years old, is the envy of his grandpop and many other -12 fishermen with a whopping, big largemouth bass that weighed eight pounds, nine ounces when he snagged the lunker in the Emory River arm of Watts Bar Lake at Swan's Pond, on April 25.

130 Before Breakfast

Jimmy Vaughn, 18, had the distinction—and fun—of being in a party of five young Oak Ridge men who wreaked havoc with the crappie population of Norris Lake April 24. He and his four companions landed a string of 130 of the succulent fish in a brief fishing tour that ended before 9

Steve used a hadacol fly in his cast for the big bass — which was full of roe when caught. He played the fish for about 15 minutes and brought it to boatside, where his grandfather helped pull it in.

"It's a heck of a note when you he beats you so badly with his catch," Mason moaned humorously — but quite proudly — of his grandson. "That youngster just loves to fish, he'll go early and stay late and sticks to it."

O'Kain and Charley Robinson won

the crown.
In the horseshoe loop Vern Stanley and Joe Dunlap won the regular season honors and Herman Dyer nosed out Stanley in a tourthe mixed doubles team of Ruby nament after the regular schedule.

Rippers Ramble To Classic Crown

Markers Are Mauled As Hart Scores High

The veteran Rippers team in the Classic League of Y-12 bowlers, which has been on top more times than it has been down, mauled the Markers for four big points and the championship of the circuit in a roll-off last Thursday night. Len Hart, Y-12 Plant champion pin toppler, led his mates in the victory with a sizzling scratch series of 633 that was put together by games of 228, 203 and 202.

The Rippers won the first half of the split season and finished

sixth in the final period, which was won by the Markers.

The Rippers took all three games with scratch and handicap scores of 941-1030, 921-1010 and 959-1048 for a total of 2821-3088, a margin of almost 400 pins in scratch scoring. The Markers tallies were 768-907; 857-996, 820-959, totaling 2445-2862.

Other high scores posted by the Rippers were scratch games of 221 and 208 by Jay Holzknecht, who got a 574 series, boosted to 574 with handicap. Hubert Trippe had a 214 scratch game. John "Tudor" Boyd put together games of 180, 181 and 211 for a scratch series of 572, increased to 659 with handicap, to lead the Markers. Second in scoring for the Markers was D. E. Toutman with a scratch series of 541, boosted to 616 with handicap. He had scratch games of 209 and 198, but his opening 134 was costly.

Lead Red League

The Gentry-Underwood-Bob Olson combine took over first place in the Red League of Y-12 golfers in Oak Ridge last week in the first round of play by white-washing the O. E. Gilcrease-Earl Crow pair for six points. It was the only shutout of the session. Sewell Brown-H. C. Nichols topped Jay Holzknecht-Paddy Peckman for five points to take second place on the ladder. Fourpoint wins were scored by Joe Youngblood-Elkin Burkhart over Burkett Bailey-Hank Stoner, Jack McLendon-Bill Mee over Clyde Hopkins-Bill Belvin and Harold Ratjen-J. D. Davis over Nelson Tibbatts-George Mitchel. Ties at three points were battled by John Boyd-George Oliphant and Logan Emlet-Art Hines and also by I. W. Speas-George Peterson and U. M. Oxford-W. C. Collins.

Hines had low scratch of 37 for nine holes, making 34 with handi-cap. Other low scratch and handicap scores were Speas 41-35, Oliphant 42-35, Mee 40-34, Collins 43-33 and Hopkins 46-33.

League standing follows: Team
Underwood-Olson
Brown-Nichols
Youngblood-Burkhart McLendon-Mee McLendon-Mee Ratjen-Davis ... Boyd-Oliphant Emlet-Hines ... Speas-Peterson Oxford-Collins Bailey-Stoner ... Hopkins-Belvin Tibbatts-Mitchel Holzknecht-Peckman Gilcrease-Crow

Enjoy Fish Rodeo

About 40 enthusiastic anglers from the B Shift of Y-12ers turned out last Thursday for the shift fishing rodeo at Pellissippi on Norris Lake. Some good catches were reported and when complete returns are in prizes are to be awarded the fishermen with the largest catches in several categories.

Fourth Team Wins Lead At Harriman

The fourth team to hold the lead in the Harriman Golf League for UCNC divot diggers in four weeks of play took over possession after the week of May 4 when the Cuneo-Grimes duo took three and one-half points from the previous leaders, Ellis-Anglin. Thomas-Hamill bagged a similar win over Isham-Henck and three-point wins were recorded by Bowers-Brown over Warlick-Willmarth and by Hoppe-Walker over Til-

Bureau Of Standards Man Speaker On ASM Lecture

Sam Spinner, of the National Bureau of Standards, will give the second in a series of lectures on experimental research techniques being sponsored by the Oak Ridge Chapter of the American Society for Metals tonight, Wednesday, May 13. The lecture will be delivered at 8 o'clock in the audi-torium of the Oak Ridge Institute of Nuclear Studies Training Building. The subject will be "Research Techniques for Measurement of Physical Properties."

The third and last lecture in the series will be given next Wednesday night at the same time and place. Frank Potts, Oak Ridge Nawill speak on "Research Techniques for Mea-surement of Temperatures."

Wife: "Hello, is this the missing person's bureau? My husband is missing. Can you help me find

Bureau chief: "Certainly, ma-

dam. Will you describe him?"
Wife: "He's short and fat—and bald. Likes blondes and alcohol. Wears thick glasses and has a red nose and speaks with a squeaky voice. Oh nuts, the heck with him —never mind."

THERE WAS MERRIMENT IN BIG PACKAGES at the retirement party for Carl A. Cooper, Sr., at the Oak Ridge Elks Club April 24. In the picture at left Cooper, right, who retired April 30, tickles Y-12 Plant Superintendent John P. Murray, left, and Industrial Relations Superintendent George W. Flack, toastmaster, with some well chosen wisecracks. At right the visibly moved Cooper thanks the big group of well-wishers at the party for the fine camera presented him as a "going-away" present. At right is Carl A. Cooper, Jr., son of the former Y-12er, with the Oak Ridge
